DECISION ON PETITION
TO WITHDRAW
RESTRICTION REQUIREMENT
UNDER 37 CFR 1.181

This is a decision on applicant's Petition to the Commissioner which was filed June 14, 2010 requesting withdrawal of a restriction requirement made in an office action dated May 29, 2008 requesting that the restriction requirement be withdrawn.

The petition is **DISMISSED as moot**.

A review of the record shows that a restriction requirement pursuant to 35 USC 121 and 35 USC 372 based on PCT Rule 13.1 directed to claims 1-45 was mailed on May 29, 2008. Applicant filed a response on December 1, 2008, electing with traverse Group I, claims 1-16. After receipt of Applicant's response, the examiner issued a non-final action on February 18, 2009. In the non-final action, the examiner responded to Applicant's arguments, maintained the restriction requirement and made the restriction requirement final. Applicant then filed a petition on June 14, 2010 requesting the restriction requirement be withdrawn. The Examiner withdrew the restriction requirement in an interview held on March 25, 2011 (copy of Interview Summary attached). Therefore, the petition is dismissed as moot.

Any questions regarding this decision should be directed to Alexander Kalinowski at (571) 272-6771.
